### **Covid-19 Response**

Be assured, that the Missouri Division of Finance stands ready to assist you now, and going forward as the full impact of this epidemic is realized. This is certainly the time to refer to your board approved disaster recovery/pandemic response plan and implement steps to mitigate the impact of the virus.

If you plan on altering schedules or services offered at any facilities, please send an email notifying the Division of the decision. Also, contact us with any questions or concerns you might have as we work through this challenge together.
